Subject: FW: PFAS FAQ questions

Hi Greg and Kimberly,

Passing on some additional questions from AAPCO on FPAS FAQs. In addition to these questions, Leo informs that AAPCO/SFIREG is also working more detailed questions, though no info. on when they may send those.

Please let me know if you have anyone on your staff you'd like me to include on this or future FPAS questions.

Best,

Sandra O'Neill

Subject: PFAS FAQ questions

Good afternoon,

Attached are some additional questions from the FAQ that AAPCO has been asked to forward to USEPA. We hope for a quick response regarding these questions.

Additionally, (AAPCO/SFIREG and the Working Committees) are also working on a more in depth document, that incorporates question that require more study.

Thanks,
